

Amazon Gift Card Purchase with ShopRaise

From the app store download and install the ShopRaise app to your phone.

Register and then select "Society of Mayflower Descendants in the State of Nevada" as **your cause**

Open the app to the home screen and at the bottom right corner of the screen open "Gift Cards"

Select Amazon and enter the amount that you wish to purchase.

Go "Check out" and then go to the cart to check out

Enter your email, the same email that you use for Amazon

ShopRaise will msg you to verify that it is you making the purchase

Enter the 6-digit code to the screen

Continue to payment

ShopRaise will send you an email that you have place an order

Shortly thereafter they will send a 2nd email showing your gift card order

Open that email and click on "**retrieve MY egift card**"

Click "**Redeem Now**"

A window from Amazon will open showing your claim code

Click **apply to account**

Check you account for the new gift card balance
